

Sustainability & Leadership

8th of October 2024 • 'Le bouche à Oreille' – Center of Brussels • 17.30 - 22.00

8.10.24

Invitation EGN Belgium Annual Member Event 2024

Integrating sustainability into a leadership vision is not just a strategic advantage; it is an imperative for modern organizations. It drives innovation, enhances reputation, manages risks, and attracts talent, ensuring the organization remains resilient and relevant in a rapidly changing world. By committing to sustainability, leaders can create a positive impact on the environment, society, and the economy, fostering a sustainable future for all.
